Course Outline

Scrum Alliance®

Certified Scrum Product Owner

We at Universal Agile believe that Agile is something that you can apply to any industry and to all walks of life. Hence the name Universal Agile. Based on our experience we have realized that Being Agile is a state of being. And to get to the state of Being Agile you need a guide, who can hold your hand on this wonderful journey.

It doesn't matter if you're interested in serving as a Product Owner, adopting Scrum, or just need the tools and techniques to develop great products, our Certified Scrum Product Owner (CSPO®) course is perfect for you.

Be the Recruiter's Choice!

The learning objectives included in CSPO certification are iterated below:

- Product Owner Core Competencies
- Goal Setting and Planning
- Understanding Customers and Users
- Validating Product Assumptions
- Working with the Product Backlog

Why Universal Agile?

We offer a plethora of curated learning resources for you so that you can keep abreast of the latest that is going on in the Agile World.

- 16 Hours of Training Sessions by a Certified Scrum Trainer
